Welcome to Standards Booklet of the National Certification Council for Activity Professionals (NCCAP). This booklet explains NCCAP Certification Standards and the types and levels of certifications offered by NCCAP. The information will increase understanding what is required to earn NCCAP certification. Please see our website and contact our office for additional information.

Activities Professional Certification

NCCAP, a nonprofit credentialing body, is the trusted, premier national organization for the certification of Activity Professionals who work with older adults living in facilities across the continuum of care - Home Care to Hospice. NCCAP also offers certification based on professional equivalency including NCTRC, CBMT, ATCB, OTR, and NAAPCC credentials.

Certified Activity Professional Benefits

• Enhanced professional recognition and career development
• Collaboration at the national level with other long-term health care associations
• NCCAP membership communication including monthly emails, e-newsletters, social media and www.nccap.org
• Inclusion in the NCCAP National Registry of Certified Activity Professionals
• Recognition as an Activity Professional who has met higher standards of excellence and knowledge of the activity profession through education, experience, training, and examination

Why Become NCCAP Certified?

• NCCAP was established in 1986 by the National Association of Activity Professionals (NAAP) to offer the highest level credential of qualification as a Certified Activity Professional
• Federal law, F-Tag 680, Omnibus Budget Reconciliation Act, states an activity department must be directed by a "qualified professional"
• NCCAP is recognized by CMS as an organization that certifies activity professionals who work specifically with older adults
• Many US states accept NCCAP certification and education standards as meeting state requirements for working in the activity profession
• NCCAP certification assures administrators and surveyors that you have met professional standards verifying competency in providing services that enhance quality of life through activity and engagement
• Many organizations will only hire Activity Professionals who are certified
• Some organizations offer higher salaries to Certified Activity Professionals
• NCCAP certification ensures that your certification is recognized nationally
• NCCAP has worked to build partnerships and acceptance of its standards and credentials across the activity profession with federal and state regulators, healthcare agencies, non-profit associations, and private sector organizations

NCCAP provides the following types and levels of certification:

Levels of Certification of Activity Professionals:

• Activity Assistant Certified - AAC
• Activity Director Certified - ADC
• Activity Consultant Certified - ACC

Optional Specialization Designations of Certified Activity Professionals:

• Assisted Living - ALF
• Memory Care - MC
• Home Care - HC
• Adult Day Services - ADS
• Person Centered - PC
• Education - EDU

Setting Specific Certifications:

• Home Care Certified - HCC
• Adult Day Services Certified - ADSC

Engagement Certification:

• Montessori Dementia Engagement Certified - MDEC

Provisional Certifications:

• Activity Assistant Certified Provisional- AACP
• Activity Director Certified Provisional - ADCP

Provisional certification is available to care partners who meet specific criteria/requirements and are working towards meeting the full criteria/requirements of NCCAP standards for AAC or ADC certification.

Provisional certification is valid for a fixed period of time, requires interim renewal, and is nonrenewable after that time. See tables below for the criteria/requirements for provisional certification of specific certification levels.
QUALIFICATION COMPONENTS OF CERTIFICATION

NCCAP standards include up to 6 Qualification Components with requirements that vary by type and level of certification. See tables and information in the sections below for specific requirements of each certification type and level and for the Definitions of Terms used in NCCAP Certification Standards.

The 6 qualification components include the following:

2. **ACTIVITY EXPERIENCE** - Activity work experience with older populations within the past 5 years of application for certification, where at least 50% of clients are 55+ years of age. Volunteer work may be applied.

3. **CONTINUING EDUCATION (CE)** - Current Continuing Education clock hours earned within the past 5 years are accepted for attendance in workshops, seminars, and college courses of present trends on topics that are included in the 28 areas of the NCCAP Body of Knowledge.

4. **REQUIRED CURRICULUM** - Specific Course Requirements Vary by Type and Level of Certification

   *Modular Education Program for Activity Professionals (MEPAP)* is a two-part program involving a total of 180 hours of educational learning and 180 hours of experiential learning that includes practicum work. Each part consists of 90 hours of coursework and 90 hours of practicum assignments.

   - MEPAP Part 1: Core Content 1-11 prepares students for the essential functions and duties of an Activity Professional: to design, deliver and evaluate activity services for older adults across the continuum of care.

   - MEPAP Part 2: Core Content 12-20 prepares students to apply principles of management in their role as an Activity Professional: to provide service through leadership, advocacy, using principles of planning, organizing, staffing, directing and controlling.

*Activities 101 Course* establishes a baseline knowledge for Home Care care partners involving the skills needed to improve the daily quality of life of a client by engaging a client in discussions and activities, potentially decreasing incidents of accidents and dangerous situations, preventing boredom, depression, and disengagement, and avoiding relocation from home to a long term care facility.

Certified Activity Professionals working to become Consultants must complete an independent study with the guidance of a NCCAP instructor.

*From Can’t to Can Do!: Using the Montessori Approach* - This course provides an introduction to using Montessori with older adults and people living with dementia. The curriculum focuses on engaging individuals in person centered activities that have meaning and purpose for an improved quality of life.

5. **NATIONAL EXAM** - Required of Activity Director and Activity Consultant levels. A third-party proctored exam is taken at a designated testing site.

6. **CONSULTING EXPERIENCE** - Required of Activity Consultant level. Consulting experience may include: advising a group, working one-to-one, teaching a class, conducting workshops, publishing professional articles, supervising students and/or managing 5 or more activity staff.
Activity Assistant Certified - AAC

Activity Professionals who meet NCCAP standards to assist, with supervision, delivery of an activity program.

Required Renewals

1. Activity Professional Certification renewal is required every two years. Late renewal and payment
date do NOT change the two-year period. To renew you need to acquire continuing education
during the two years after initial certification and thereafter. CE requirements are as follows:
   • AAC or AACP - 20 CEs every two years
   • ADC or ADCP - 30 CEs every two years
   • ACC - 40 hours CEs every two years
   • Specializations require an additional 10 CEs in that specialization every two years

2. Home Care Certification and Montessori Dementia Engagement Certification renewal is required
every one year. Late renewal and payment date do NOT change the one-year period. To renew,
acquire continuing education during the one year after initial certification and thereafter.
CE requirements are as follows:
   • Home Care Certification - 10 hours CEs annually
   • Montessori Dementia Engagement Certification - 20 CEs annually

3. Adult Day Services Certification renewal is required every two years. Late renewal and payment
date do NOT change the two-year period. To renew you need to acquire continuing education
during the two years after initial certification and thereafter. CE requirements are as follows:
   • ADS- 20 hours CEs every two years

4. Renewal email reminders will be sent 90 days prior to expiration and then monthly thereafter.

5. Renewal information, including a schedule of renewal fees, and required application forms can
be found on the NCCAP website at www.nccap.org.

6. Renewal applications can be submitted on-line via www.nccap.org (or printed, completed and
submitted by mail to the NCCAP office).

7. Submit renewal applications 6 weeks prior to your expiration date to allow for processing time.
   Renewal fees are due at the time of renewal application submission. Renewal applications
   received without appropriate forms and/or amount of payment are considered incomplete.
8. Notices of incomplete applications will be sent by email when discovered during initial processing and periodically thereafter up to one year from expiration of certification.
9. Processing of renewal applications can be expedited for an additional fast track fee.
10. Certification status can only be given after review and approval are complete.
11. If your certification has expired for more than one year, you must submit a new application (rather than a renewal application) per current certification standards in effect.

**Level Change**

Activity Professionals seeking a level change need to complete a new application. The application will be merged and reviewed with the most recent previous application on file.

It is not necessary to duplicate information already on file in the most recent previous application.

Applicants only need to add additional information supporting the level change and pay the level change fee (see website for fee schedule).

The expiration date of certification will remain the same as the most recent previous application.
